Monthly Labor Review

January to June 1950

UNITED STATES DEPARTMENT OF LABOR
Maurice J. Tobin, Secretary

BUREAU OF LABOR STATISTICS
Ewan Clague, Commissioner

Subject Index to Volume 70

January to June 1950

[Issues and page numbers in italics]

Absenteeism, United States:

Clay construction products industry, days lost due to industrial injuries, 1948 (table). *Mar. 272.*

Effect upon guaranteed employment and wage plans in collective bargaining agreements. *Jan. 29.*

Absenteeism, Great Britain. Coal industry. Percentage, over-all, 1936-49. *Jan. 22.*

Accident and health insurance. Scientists, industrial research, 1949. *Apr. 372.*

Accident statistics:

Clay construction products industry. Injury-frequency rates, by size of plant and by department, 1948 (charts). *Mar. 274-275.*

— Number of injuries and frequency and severity rates, 675 establishments, by kind of product and by extent of disability, 1948 (table). *Mar. 272.*

— Work injuries, estimate of costs and comparisons by kind of product, by regional and State differences, by size of plant, and by department. *Mar. 270-275.*

Compilation, U. S. Department of Labor, Bureau of Labor Statistics. Categories, standardization of methods, and definition and measurements of work injuries. *Mar. 303-304.*

— Limitations of series, sources and methods of surveys, and computation procedures. *Mar. 304-307.*

Construction. Industrial injury rates, 16,321 companies, by occupation and extent of disability, 1948 (table). *Apr. 388.*

— Injury rates, 1948, summary. *Apr. 387-389.*

Industrial injuries, basic needs for analysis. Severity and frequency rates, accident-cause analysis, and development of data. *Mar. 267-270.*

Manufacturing. Injury-frequency rates, 1947, 1948, and 1949 (charts). *Feb. 143; May 514.*

— Injury-frequency rates, selected industries, third and fourth quarters, 1949, with cumulative rates for 1949. *Feb. 142-145; May 515-517.*

Work injuries in 1948, preliminary estimates, classified by industry group. *Mar. 265-267.*

Airframe industry:

Hourly earnings and number of workers, selected plant occupations, by region, May-June 1949 (table). *Jan. 31.*

Wage rates and related wage practices, May-June 1949. *Jan. 30-33.*

Apprenticeship. Voluntary. Program under State agreements set up by Utah Act, 1949. *Jan. 46.*

Baking industry:

Hourly wage rates, union. By population, region, and type of baking, July 1, 1949 (tables). *Jan. 35-36.*

— July 1, 1949, and increases since July 1, 1948, by type of baking (table). *Jan. 35.*

Hourly wage rates, union, and weekly hours, indexes, 1939-49 (table and chart). *Jan. 34.*

Workweek, standard, 1948-49. *Jan. 33, 36.*

Benefits. (*See specific type of benefit.*)

Benefit exhaustions:

Railroad unemployment insurance. Rates among beneficiaries, by occupational group and by age and sex, July 1948-June 1949. *Mar. 300-301.*

— Trends in rates among beneficiaries and benefits received, 1939-40 to 1948-49. *Mar. 299-300.*

Bituminous-coal industry. Labor-management dispute. Developments, December 1949-March 1950. *Jan. III, 54; Feb. III, 166-167; Mar. III, 301-302; Apr. III, 410.*

Bonus, nonproduction:

Office workers, Atlanta, Memphis, and Oklahoma City, January-February 1950. *June 632.*

Scientists, industrial research, late 1949. *Apr. 372.*

Building trades:

Bargaining plan in southern California. Description of agreement; grievances and jurisdictional disputes; basis of plan's success. *Jan. 14-18.*

Southern California. Hourly wage rates, 6 basic trades and 13 subtrades, 1941-49. *Jan. 14.*

Chemists. Employment outlook, 1950. *May 510.*

Child labor:

Agricultural workers, New York State, 1948. Legal and illegal employment; wages and hours. *June 650.*

National Conference on Labor Legislation, Washington, 1949. Recommendations. *Jan. 41-42.*

State legislation, 1949. *Jan. 42-43; Feb. 131.*

Chronology. Labor events, November 1949-May 1950. *Jan. 70-72; Feb. 193-194; Mar. 315-316; Apr. 432; May 547; June 662-663.*

Collective agreements:

Arbitration machinery, types established by agreements, by industry group, 1949 (table). *Feb. 163.*

Arbitration provisions, analysis of agreements containing, 1949. *Feb. 160-165.*

Contracts, 84 selected, termination and reopening dates, July 1 to December 31, 1950; companies and unions involved, by industries. *June 650-653.*

- Collective agreements—Continued
 Dismissal-pay provisions in, 1949, summary. *Apr. 384-387.*
- Ford Motor Co. and United Automobile Workers (CIO), agreement on pensions, March 1950. *Apr. III, 411.*
- General Motors Corp. and UAW (CIO) 5-year agreement signed May 23, 1950. Provisions. *June III, 655-656.*
- Guaranteed employment and wage plans. Definition, history, limitation, and provisions. *Jan. 26-30.*
 — Eligibility requirements, effect of absences, and provisions for holidays, vacations, and transfers. *Jan. 29-30.*
- Houston, Tex., building contractors and 23 AFL unions sign treaty effective to June 30, 1951, requiring approval by three-fourths of unions before any signatory group may take strike action, March 1950. *Apr. 411.*
- Impartial agencies used in selection of arbitrator; cost of arbitration. *Feb. 164-165.*
- Longshoremen, Pacific. Wage changes, hourly rates for general and penalty cargo, overtime rates, and related wage practices, 1934-50. *May 521-526.*
- Masters, Mates and Pilots (AFL) and East and Gulf Coast ship operators extend agreement until April 1950. *Jan. 54.*
- Nash-Kelvinator Corp. and UAW (CIO), agreement on pensions, March 1950. *Apr. III, 411.*
- Sickness and accident benefits in 1949. Prevalence and costs; amount of weekly benefits; length of benefit period; other provisions. *June 636-639.*
- Steel companies and employees. December 1949. *Jan. 53.*
- United Automobile Workers (CIO). Ford Motor Co. and Nash-Kelvinator Corp., agreement on pensions, March 1950. *Apr. III, 411.*
 — General Motors, 5-year agreement, May 1950, provisions. *June III, 655-656.*
- Collective bargaining, United States:
 Building trades, southern California. Agreement on basic standards, 1941-49. *Jan. 14-18.*
 Representation determined by NLRB elections; résumé of year June 30, 1948-49. *Apr. 402-403.*
- Collective bargaining, Great Britain. Coal industry. Grievance and consultation machinery between the National Coal Board and unions. *Jan. 20-21.*
- College graduates. Employment outlook for 1950. Summary. *May 509-511.*
- Communications industries. Union membership stipulations in wire and radio communications and postal service. *Mar. 278.*
- Construction:
 Collective agreement on strike action, Houston (Tex.) building contractors and 23 AFL unions, March 1950. *Apr. 411.*
 Contract. Employees, by industry group, annual average, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-2, each issue.*)
- Construction—Continued
 Contract. Median annual wages, four-quarter workers under old-age and survivors insurance, by industry group and sex, 1944-47 (table). *June 610.*
 — Production workers. Hours and gross earnings, annual averages, 1947-49, monthly, October 1948-March 1950. (*See Current labor statistics, table C-1, each issue.*)
- Industrial injury rates, 16,321 companies, by occupation and extent of disability, 1948 (table). *Apr. 388.*
- New. Expenditures for, statistical methods of estimating; coverage of BLS studies and classifications defined; sources of data and adjustment procedures. *Feb. 177-185.*
- Federally financed contracts, by type of construction, annually, 1935-49, monthly, November 1948-April 1950. (*See Current labor statistics, table F-2, each issue.*)
- Nonfarm dwelling units, number and cost, by urban or rural location and by source of funds, selected years, 1925-49, quarterly and monthly, 1947-March 1950. (*See Current labor statistics, table F-5, each issue.*)
- Nonresidential urban building, by type and geographic division, annually, 1947-49, monthly, October 1948-March 1950. (*See Current labor statistics, table F-4, each issue.*)
- Private and public. Expenditures, total values, by type, 1948, 1949, monthly, December 1948-May 1950. (*See Current labor statistics, table F-1, each issue.*)
- Urban building, by class of construction and type of building, selected years, 1942-49, monthly October 1948-March 1950. (*See Current labor statistics, table F-3, each issue.*)
- Wages and working rules, 6 basic trades and 13 sub-trades, southern California, 1941-49. *Jan. 14-18.*
- Construction-machinery industry. Unit man-hours, 1947-48. Number required, factors influencing; indexes and trends, by type of product and type of labor. *June 645-648.*
- Consumers' cooperatives. (*See Cooperatives.*)
- Conventions, meetings, etc.:
 American Public Welfare Association. Annual conference, Washington, D. C., December 1-3, 1949. Summary of discussions. *Jan. 51-52.*
- National Conference on Labor Legislation, Washington, November 1949. Standards advocated and resolutions adopted. *Jan. 39-42.*
- National Conference on Workmen's Compensation and Rehabilitation, Washington, D. C., March 1950. Needs for improved services and recommendations, summary. *May 511-513.*
- Union conventions. May 1950. Summary. *June IV.*
 — Scheduled (106), April 1950. Dates, unions, and places of meetings. *June 654-655.*

Cooperatives:

Consumers' cooperatives in United States, developments in 1949. Distributive associations; medical-care associations; housing associations; labor and cooperatives. *Mar. 284-286.*

— Canada, number and type of associations, members, and amount of business, 1948. *Jan. 52-53.*

Cost of living, U. S. (See Prices: Consumers' price index.)

Cost of living, Denmark. Indexes for major expenditure groups, quarterly, 1949, and January 1950. *Apr. 392.*

Cotton-garment industries. Hourly earnings, wage structure, and related wage practices, August 1949. *Mar. 293-295.*

Court decisions:

Anti-injunction law, New Jersey. Employer's refusal to negotiate with union while strikers were picketing not cause for injunction under act. *Jan. 69.*

Arbitration contract with a union, bus company employer must abide by, Wisconsin. *Apr. 431.*

Assignment by one union to another of right to receive checked-off dues from employer held valid, Kentucky. *May 545-546.*

Closed union, burden of proof on individual workers, California. *Jan. 68-69.*

Dismissal of employee not violation of collective bargaining contract. *Jan. 68.*

Contempt of court, union official's refusal to answer questions on cross-examination as to whether he was a Communist. *June 661.*

Fair Labor Standards Act. Alleged violations. Wage and Hour Administrator entitled to refuse to answer an employer's questions as to the source of his information concerning. *Apr. 426.*

— Discriminatory discharge claim dismissed. *Jan. 64.*

— Home workers sending products to employer without solicitation in hope that he will accept them, held employees within coverage of act. *Apr. 426.*

— Logcutters held to be employees. *Jan. 64.*

— Overtime compensation. Meat-packing employees in processing and maintenance activities in production of goods for commerce entitled to, for work exceeding 40 hours. *Mar. 308.*

— Newspapers, local, employees held to be engaged in commerce. *May 541.*

— Overtime compensation. Night watchman engaged in commerce entitled to. *Feb. 187.*

— Restitution of wages ordered for contempt in injunctive proceedings. *May 541.*

— Sawyers and woodcutters held to be employees. *May 541.*

Free speech. Interference with employment, prohibited by Arkansas law, not an unconstitutional abridgment of the right of, U. S. Supreme Court. *Feb. 187-188.*

Hiring halls of the National Maritime Union (CIO) on the Great Lakes illegal; union's insistence on continuation of these hiring halls a violation of the Taft-Hartley Act. *Mar. IV.*

Court decisions—Continued

Individual rights under union contract void after nullification of agreement by NLRB, as its terms were not incorporated into employee's individual contract of employment. *Apr. 429.*

— Injunctions, court jurisdiction to entertain petitions, not given in section 301 of the LMRA. *Feb. 191.*

— Temporary, dissolution of, and refusal to grant permanent injunction against interference with access to employer's plant during strike, Connecticut. *Mar. 313-314.*

— Union affiliation changes, injunction against denied, New York State. *Feb. 191-192.*

Jurisdiction of court to enjoin international union from unlawfully expelling one of its locals because local's property rights were involved. *Apr. 430.*

Jurisdictional strike law held constitutional, California. *May 545.*

Labor Management Relations Act, 1947. Appropriate unit for collective bargaining, deciding factor in ascertaining might be the wishes of the employees themselves. *Mar. 312.*

— Jurisdiction of Federal courts. *May 544.*

— Non-Communist oath requirement upheld by the Supreme Court, May 8, 1950. *June IV.*

— Refusal to bargain—filing requirements; proof; penalty provision. *May 543.*

— Refusal to bargain, union. *Apr. 428.*

— Review of NLRB decisions, judicial, scope of. *Mar. 312-313; May 544.*

— Secondary boycotts. *Jan. 67; May 541-542.*

— Unfair labor practice, employer. Arbitrary discharge of group of employees held interference with right of concerted activities. *Apr. 427-428.*

— Unfair labor practice, employer. Discharge for rival union activity in a closed shop does not constitute. *Feb. 188.*

— Unfair labor practice, employer. General pay increase without consulting certified union, U. S. Supreme Court. *Feb. 131.*

— Unfair labor practice, employer. Refusal to permit union to use company's hall, only one available in company town, for union meetings, U. S. Supreme Court. *Feb. 131.*

— Minimum wages and overtime compensation, employer engaged in production and sale of gas in Puerto Rico not relieved of liability for, by "good faith" defense of act. *June 658.*

National Labor Relations Board hearings in jurisdictional disputes required only when there is reasonable basis for complaint and when an actual dispute exists. *Apr. 429-430.*

Norris-La Guardia (Anti-Injunction) Act. Federal district court not prevented from restraining union under Railway Labor Act from discriminatory representation. *Jan. 64-65.*

— Intra-union dispute held a "labor dispute" within meaning of act. *Feb. 191.*

Court decisions—Continued

- Overtime compensation. (*See Fair Labor Standards Act, this section.*)
- Picketing an employer's shop held protected free speech, Arkansas. *May 545.*
- Picketing for closed shop illegal and enjoinable, Florida. *May 545.*
- Picketing home of employer with whom union is having a labor dispute legal, California. *Apr. 430-431.*
- Picketing not to be enjoined as "untruthful" when the "untruth" expressed is merely a matter of opinion, California. *Apr. 431.*
- Picketing prohibited, except for that part of front of building occupied by employer with whom union was having labor dispute, Texas. *Apr. 431.*
- Picketing to compel an employer to join a union as an inactive member and pay dues and initiation fees to it an unfair labor practice, Wisconsin. *Feb. 192.*
- Picketing to compel union shop illegal but picketing for lawful objectives by union representing minority of employees legal, Texas. *Mar. 314.*
- Picketing with misleading signs enjoinable, New York State. *Apr. 431.*
- Portal-to-Portal Act. Contract or custom overtime compensation claims denied. *Jan. 64; Feb. 186.*
- Overtime compensable, failure to allege that activities are compensable under contract or by custom not grounds for dismissing employee's suit for. *Mar. 308.*
- Public Contracts Act (Walsh-Healey). Child-labor violation not supported by sufficient evidence. *Feb. 187.*
- Child-labor exemption order, employer held liable for violating even if not aware of violation at the time. *June 658.*
- "Overtime-on-Overtime Act of 1949" (Public Law 177, Eighty-first Congress) constitutional. *Feb. 187.*
- Railway Labor Act. National Railroad Adjustment Board held to have exclusive jurisdiction over controversy between two unions, both claiming right to assign certain railroad jobs. *June 659.*
- Representation, majority status, New York State. *Apr. 431.*
- Right of State to compel election of bargaining agent denied, Kentucky. *May 545.*
- Strike held to be in compliance with State strike-vote law and not in violation of no-strike clause in agreement since contract was terminated on its expiration date after proposed amendments led to no agreement, Minnesota. *June 661.*
- Taft-Hartley Act. (*See Labor Management Relations Act, this section.*)
- Unfair labor practice. (*See under Labor Management Relations Act, this section.*)
- Union membership, compulsory. State laws outlawing held constitutional, U. S. Supreme Court. *Feb. 131.*

Court decisions—Continued

- Union property, transfer of, held void, not consistent with local and national constitutions. *Jan. 67.*
- Union recognition and reinstatement of discharged employees held lawful strike objectives, Texas. *May 546.*
- United Mine Workers, not guilty of either civil or criminal contempt for refusal to comply with restraining order suspending existing strike. *May 544-545.*
- Vacation time, unless specified in contract, to be fixed by employer; employee taking vacation at different time fixed by his union not entitled to vacation pay. *Jan. 69.*
- Veterans. Reemployment cases, res judicata in. *Apr. 430.*
- Seniority, salaried employees, employer practice upheld. *Mar. 313.*
- Seniority, statutory, not terminated upon expiration of first year of reemployment. *Jan. 68.*
- Seniority, terms of new collective-bargaining agreement could take precedence over seniority granted to veterans under GI bill of rights, U. S. Supreme Court. *Feb. 131.*
- Vacation rights, identical with or in some respects better than those given nonveterans on leave of absence, held not to be discrimination. *June 660.*

Death benefits. Women's coats and suits manufacture, September 1949. *Feb. 155.*

Dentists. Employment outlook, 1950. *May 510.*

Dietitians:

- Distribution by total dietetic experience, selected fields, 1949. *Feb. 153.*
- Hospital. Distribution by annual salaries and region and by weekly hours and region, 1949, and annual salaries by region and living arrangements, 1949. *Feb. 149-152.*
- Salaries and related wage practices, 1949; opinions of dietitians on their economic status and working conditions; and characteristics of inactive dietitians. *Feb. 149-153.*

Disability compensation. State legislation, 1949. *Jan. 45; Feb. 131.*

Disability insurance. Payments under public programs, 1948. *Jan. 49.*

Discrimination in employment. State legislation, 1949. *Jan. 45; Feb. 131.*

Dismissal-pay plans:

- Graduated types. Pay and service provisions (table). *Apr. 386.*
- Provisions in union agreements. Conditions and amounts of dismissal pay and computation of service and pay. *Apr. 384-387.*

Docks and harbors:

- Agreements. (*See under Collective agreements.*)
- Longshoremen, Pacific. Wage changes and related wage practices, 1934-50. *May 521-526.*

Earnings. (*See Wages and hours, United States.*)**Economic conditions:**

Council of Economic Advisers, fourth annual report, December 1949, and President's annual message on State of the Union, January 1950; summaries. *Feb. 140-142.*

Effect on low-income families, 1948. *Jan. 50-51.*

Electricity. (*See Gas and electricity.*)**Emigration:**

Allens departed, United States, years ending June 30, 1945-49 (table). *Feb. 166.*

Fiscal year 1949. *Feb. 165-166.*

Employment, United States (*see also Employment statistics*):

Airframe industry. Number of workers, selected plant occupations, by region, May-June 1949. *Jan. 30-31.*

Guaranteed, in collective bargaining agreements. Definition, history, limitations, and provisions of plans. *Jan. 26-29.*

— Eligibility requirements, effect of absences and provisions for holidays, vacations, and transfers. *Jan. 29-30.*

Industrial. Measurement. Limitations of data, survey sources and methods, and calculation procedures. *Jan. 55-58.*

Machine-tool industry. Decline, 1942-49; prospects, 1950; hours and earnings, 1947-50. *June 645.*

Older workers, problems. *May 508-509.*

Employment, Great Britain. Coal industry. Number of wage earners on colliery books, 1936-49. *Jan. 22.*

Employment, international. Full employment report by U. N. experts; domestic and international measures recommended, Dec. 22, 1949. *Apr. 379-381.*

Employment agencies:

Private. Arkansas. Regulation of employment agents who hire workers in Arkansas for work outside the State, 1949. *Jan. 46.*

— Florida. Amendment to private-employment-agency act, 1949. *Jan. 46.*

— State legislation, regulatory, 1949. *Jan. 46.*

— Texas. Replacement of private employment agency act with two separate laws, 1949. *Jan. 46.*

Employment conditions:

Changes in employment, 1948-50. *June 620-621.*

Employment and unemployment changes by month, December 1949-May 1950. *Jan. IV; Feb. IV; Mar. IV; Apr. III; May III; June IV.*

Manufacturing, employment decrease, reduction in hours of work, and rise in unemployment, 1949. *Feb. 125-127.*

Employment opportunities:

National Conference on Labor Legislation, Washington, November 1949. Recommendations. *Jan. 40-41.*

Petroleum industry, production and refining, 1950. *Apr. 374-378.*

Employment outlook:

College graduates, 1950; summary of principal professions. *May 509-511.*

Employment outlook—Continued

Teachers, elementary and high-school, 1949. (*Feb. 146-149.*)

Employment, stabilization of:

Guaranteed employment plans in collective bargaining agreements. Definition, history, limitations, and provisions. *Jan. 26-30.*

Written contracts and dismissal pay, industrial research scientists, 1949. *Apr. 373.*

Employment statistics:

Employment, civilian government, and payrolls, Washington, D. C., by branch and agency group, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-7, each issue.*)

Employment, Federal civilian, by branch and agency group, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-5, each issue.*)

Labor force. January 1948-April 1950 (table). *June 620.*

— Monthly, November 1948-April 1950, by employment status, hours worked, and sex. (*See Current labor statistics, table A-1, each issue.*)

Manufacturing. Employees, by States, annual average, 1947, monthly, December 1948-March 1950. (*See Current labor statistics, table A-10, Feb., May 1950.*)

— Production workers. By industry, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-3, each issue.*)

— Indexes, employment and weekly payroll, annual averages, 1939-49, monthly, November 1948-April 1950. (*See Current labor statistics, tables A-4, each issue.*)

Mining. Production workers, by industry, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-3, each issue.*)

Negroes. San Francisco Bay area, 1940-48. *June 614-617.*

Nonagricultural establishments. Employees, by industry division and group, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-2, each issue.*)

— Employees, selected States, annual average, 1947, monthly, December 1948-March 1950. (*See Current labor statistics, table A-9, Feb., Mar. 1950.*)

— Employment in, 1948-50, and employment changes, by industry, first quarter 1948 to first quarter 1950 (charts). *June 622-623.*

Payrolls, Federal civilian, by branch and agency group, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-6, each issue.*)

Personnel and pay, military branch, Federal government, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-8, each issue.*)

Employment statistics—Continued

Unemployment under State unemployment insurance programs, by geographic division and State, monthly, January–March 1948, January 1949–March 1950. (*See Current labor statistics, table A-11, Apr.–June 1950.*)

Women in manufacturing. Number and percent of total employment, by industry group, September 1949. *Feb. 159.*

Engineers. Employment outlook, 1950. *May 510.*

Expenditures, United States:

Construction, new. Estimating. Limitations; methods, sources, and adjustment procedures. *Feb. 177–185.*

— Private and public. Total values, by type, 1948, 1949, monthly, December 1948–May 1950. (*See Current labor statistics, table F-1, each issue.*)

Expenditures, Denmark:

Family, 1948. Sampling methods and coverage, expenditures and consumption patterns, and revised retail price index. *Apr. 389–392.*

Index, cost of living, for major groups and for all items quarterly, 1949 and January 1950 (table). *Apr. 392.*

Nonfarm families, 1948 and 1942 surveys, revalued at 1948 prices (table). *Apr. 391.*

Fair Labor Standards Act. (*See under Court decisions.*)

Federal workers. (*See Government employees; also under Legislation, Wages and hours, or other subject.*)

Finance establishments:

Employees, by industry group, annual averages, 1947–49, monthly, November 1948–April 1950. (*See Current labor statistics, table A-2, each issue.*)

Employees, nonsupervisory. Hours and gross earnings, annual averages, 1947–49, monthly, October 1948–March 1950. (*See Current labor statistics, table C-1, each issue.*)

Median annual wages, four-quarter workers under old-age and survivors insurance, by industry group and sex, 1944–47 (table). *June 610.*

Firemen:

Percentage distribution of in 91 large cities according to increase in salary scales, 1945–50 (table). *June 634.*

Salary rates and hours, indexes of, in large cities, 1924–50 (table). *June 633–634.*

Food. Industries, manufacturing. OASI coverage. Percentage distribution of workers, by annual covered earnings, 1945–47 (table). *Apr. 423.*

Footwear manufacturing. Earnings, hourly, selected occupations, by process, area, and sex, October 1949; related wage practices. *Apr. 408–409.*

Furniture industry. Wood- and upholstered-furniture establishments. Hourly earnings, selected areas, by occupation and sex, September 1949; related wage practices. *Mar. 290–292.*

Gas and electricity. Prices. Percent changes in 1949. *June 649.*

Glassware and glass container manufacturing. Earnings, hourly, and related wage practices, selected occupations and areas, January 1950. *June 634–635.*

Gompers' centennial. Tribute by President Truman, labor and government officials, to memory of Samuel Gompers, labor leader, on centennial anniversary of his birth, January 27, 1950. *Feb. IV.*

Government employees:

Federal. Employment, by branch and agency group, annual averages, 1947–49, monthly, November 1948–April 1950. (*See Current labor statistics, table A-5, each issue.*)

— Payrolls, by branch and agency group, annual averages, 1947–49, monthly, November 1948–April 1950. (*See Current labor statistics, table A-6, each issue.*)

Salary rates, basic annual, under Classification Acts of 1923 and of 1949 (tables). *Mar. 296.*

Hourly earnings and wage structure, plant workers, selected occupations, by sex and by region, August 1949

(table). *Mar. 294.*

Migration. Population shifts, 1947. Unemployment and economic factors affecting, April 1948. *May 495–496.***Migratory labor. Recommendations of National Conference on labor Legislation, Washington, November 1949. *Jan. 41.*****Mining, United States:**

Bituminous-coal. Production workers. Weekly earnings, gross, in current and 1939 dollars, annual averages, 1947–49, monthly, October 1948–March 1950. (*See Current labor statistics, table C-2, each issue.*)

— Taft-Hartley Act invoked in work stoppage, January–February 1950. *Feb. III, 166–167.*

Employees, by industry group, annual averages, 1947–49, monthly, November 1948–April 1950. (*See Current labor statistics, table A-2, each issue.*)

Median annual wages, four-quarter workers under old-age and survivors insurance, by industry group and sex, 1944–47 (table). *June 610.*

Production workers. By industry, annual averages, 1947–49, monthly, November 1948–April 1950. (*See Current labor statistics, table A-3, each issue.*)

— Hours and gross earnings, annual averages, 1947–49, monthly, October 1948–March 1950. (*See Current labor statistics, table C-1, each issue.*)

Mining, Great Britain:

Coal. Effect of nationalization upon unions, collective bargaining, productivity, and wages; prospects of industry and miners. *Jan. 19–25.*

Mining, Great Britain—Continued

- Industry position, 1947, 1948, and 1949. *Jan. 22–23.*
- Nationalization, January 1, 1947; background. *Jan. 19, 21.*
- Output, manpower, productivity, and time lost in deep-mined coal industry, 1936–49 (table). *Jan. 22.*
- Weekly earnings of miners compared with other industrial workers, 1935, 1938, 1946, and 1949 (table). *Jan. 23.*

Moving and travel expenses. Scientists, industrial research, late 1949. *Apr. 373.*

National Labor Relations Board:

Annual report, fiscal year 1949. Injunctions; election—union-shop and representation; unfair labor practices. *Apr. 402–403.*

Assignment of work, disputes over, not under jurisdiction of NLRB. *Feb. 190.*

Decisions. Agricultural workers not "clear organization." *Mar. 310.*

— Check-off not "unfair labor practice." *May 542.*

— Commerce. Policies of amended NLRA effectuated by asserting jurisdiction over chain of local restaurants located in several States. *Apr. 427.*

— Craft-union petitions dismissed, aluminum processing, basic steel producing, and lumber industries, May 1950; Board policy defined. *May IV.*

— Discharge, employee tendering union initiation fees and accrued dues protected from by amended NLRA, if valid union-shop contract with employer, *Feb. 188–189.*

— Discrimination by employer in granting retroactive wage increases. *Apr. 428.*

— Discriminatory discharge, complaint dismissed because employee was not union member in good standing as required by the contract, May 1950. *May IV.*

— Distribution of union literature during employees' nonworking time, outside plant gates but on company's property, company's prohibition held interference in violation of amended NLRA. *June 659.*

— Employer's conduct violation of NLRA. *Mar. 311.*

— Farm workers union not labor organization. *Jan. 111.*

— Jurisdictional strikes. *May 542–543.*

— Non-Communist-affidavit and filing provisions of amended NLRA, employer under no duty to bargain with union failing to comply. *Feb. 190–191.*

— Refusal to bargain but not discrimination in violation of amended NLRA, employer's trucking operation shut-down, after union had won consent election. *Mar. 311.*

— Refusal to bargain collectively, employer's, violation of amended NLRA. *Mar. 310.*

National Labor Relations Board—Continued

- Refusal to bargain, company's denial of union's request for full information regarding merit increases. *June 659.*
- Refusal to bargain, employer. *Apr. 428; May 543.*
- Refusal to bargain, employer's, after temporary plant shut-down not discrimination against employees. *Mar. 310-311.*
- Representation and elections. *Jan. IV, 67; Feb. IV; Apr. 426-427; May 545-544; June 659-660.*
- Right to strike for modification of work contract before expiration date, provided "no-strike" clause is not included in contract and union gives company 60 days' notice, May 1950. *May IV.*
- Secondary boycotts. *Feb. 189-190; Mar. 308-310.*
- Unfair labor practice cases, statute of limitations in. *May 542.*
- Unfair labor practice, employer. Based on activities preceding filing of charges by more than 6 months held violation of NLRA. *June 660.*
- Unfair labor practices. Employer. *Jan. 65.*
- Unfair labor practices. Union. *Jan. 65-67.*
- Violations of Taft-Hartley law, 1949, summary. *Feb. 130-131.*
(See also Court decisions.)

Disagreement between NLRB and its General Counsel over powers and duties of latter office, February 1950. *Mar. IV.*

Electrical manufacturing industry, rulings on union representation, December 1949. *Jan. IV.*

Government reorganization order affecting, sent to Congress, March 1950, summary. *Apr. IV.*

Non-Communist affidavit requirements, interpretation of "union officer" changed. *Jan. III.*

Union-shop election requirements, construction industry. *Jan. III.*

Nationalization, Great Britain. Coal mines. Effect upon unions, collective bargaining, productivity, and wages. *Jan. 19-25.*

Negroes:

San Francisco Bay area. Income, household, sources of, 1948; distribution of households, by total income received, 1947 (tables). *June 617.*

— Industrial distribution of principal wage earners, by migration status, selected periods, 1940-48 (table). *June 616.*

— Occupational distribution of workers, by group, selected periods, 1940-48. *June 614-616.*

— Status of workers, 1940-48; selected age comparisons, 1947; educational distribution of persons aged 25 and over, by group, 1948. *June 612-613.*

Nonagricultural industries:

Employees, selected States, annual average, 1947, monthly, December 1948-March 1950. (*See Current labor statistics, table A-9, Feb., May 1950.*)

Employment, increase in, November-December 1949. *Jan. IV.*

No-raid agreements. United Automobile Workers and the International Association of Machinists, January 1950. *Mar. 278-279.*

Nurses. Employment outlook, 1950. *May 510.*

Office workers. (*See under Wages and hours.*)

Old-age and survivors insurance. (*See under Social Security, United States.*)

Older workers. Life expectancy, financial security, gainful employment, and handicaps of aging. *May 506-509.*

Overtime:

Premium. Adjustment factors for eliminating from gross average hourly earnings (table). *May 540.*

Scientists, industrial research, late 1949. *Apr. 369-*

370.

Transit, local, operating employees, October 1, 1949. *Mar. 289.*

Payrolls and pay scales. (*See under Employment statistics, and Wages and hours.*)

Pensions:

Company plans, contributory and noncontributory, by type of funding and company size, 1949 (table). *Mar. 298.*

Dietitians, 1949. *Feb. 152.*

Dress-shirt and work-clothing establishments, August 1949. *Mar. 295.*

Office workers, Atlanta, Memphis, and Oklahoma City, January-February 1950. *June 632.*

Plans adopted, December 1949. *Jan. IV.*

Railroad employees, private plans for, 1949. Eligibility requirements and benefits; financing; vested rights of employees. *June 639-641.*

Scientists, industrial research, plans in late 1949. *Apr. 372-373.*

Steel companies, December 1949. *Jan. 53.*

Veterans'. Payments under public programs, 1948. *Jan. 49.*

Personnel workers. Employment outlook, 1950. *May 510.*

Petroleum industry:

Consumption trend, 1919-50 (chart). *Apr. 375.*

Employment in crude petroleum and natural gas production, 1939-50 (chart). *Apr. 377.*

Production, growth of, and reserves, 1903-50 (chart). *Apr. 376.*

Refining. Capacity and output, 1920-50 (chart). *Apr. 378.*

— Employment outlook, factors affecting, and job prospects, 1950. *Apr. 374-378.*

Pharmacists. Employment outlook, 1950. *May 510.*

Physicians. Employment outlook, 1950. *May 510.*

Police officers. Salary rates and hours, 91 large cities; indexes, 1924-50; increases in salary scales, 1945-50 (tables). *June 633-634.*

Prices:

Changes. Fourth quarter and year 1949, summary. *Mar. 263-265.*

— November-December 1949. *Jan. IV.*

Prices—Continued

Consumers' price index, moderate-income families. Large cities, by group of commodities, selected years and months, 1913-49, monthly, November 1948-April 1950. (*See Current labor statistics, table D-1, each issue.*)

— Selected cities and groups of commodities, monthly, October 1949-April 1950. (*See Current labor statistics, table D-3, each issue.*)

— Selected cities and periods, August 1939, June 1946, monthly, November 1948-April 1950. (*See Current labor statistics, table D-2, each issue.*)

Foods, retail. Indexes, by city, August 1939, June 1946, monthly, November 1948-April 1950. (*See Current labor statistics, table D-5, each issue.*)

— Indexes, by group, selected years and months, 1923-49, monthly, November 1948-April 1950. (*See Current labor statistics, table D-4, each issue.*)

— Selected. Average prices, November 1949-April 1950, and indexes, August 1939, monthly, November 1948-April 1950. (*See Current labor statistics, table D-6, each issue.*)

Gas and electricity. Percent changes in 1949. *June 649.*

Retail, 1949, summary. *Mar. 264.*

Trend, 1949 (chart). *Mar. 263.*

Wholesale. Indexes, by commodity groups and subgroups, August 1939, June 1946, monthly, November 1948-April 1950. (*See Current labor statistics, table D-8, each issue.*)

— Indexes, by commodity groups, selected years and months, 1913-49, monthly, November 1948-April 1950. (*See Current labor statistics, table D-7, each issue.*)

— 1949, summary. *Mar. 264-265.*

Printing trades. Union wage scales and weekly hours. Indexes, 1939-49; percent increase in wage rates, by city and industry branch, January 1948-July 1949; hourly wage scales, by region, and standard workweek, July 1, 1949. *Feb. 155-159.*

Productivity, United States:

Machine tools, industrial equipment, and construction machinery manufacture; indexes by type of product and labor; trends, 1947-48. *June 645-648.*

Man-hour requirements. Measurement. Limitations of productivity measures; methods, sources, and calculation procedures of industry indexes and reports. *Feb. 169-176.*

Radio receivers, home. Unit man-hours expended in manufacture. Indexes of trends, by type of labor, by type of radio receiver, and by size of plant, 1939-47. *May 517-519.*

Statistical methods of computing indexes of unit man-hours expended in industries, BLS survey. *Feb. 169-176.*

Productivity, Great Britain. Coal industry. Output in tons, weekly average, and per man-shift, 1936-49. *Jan. 22.*

Psychologists. Employment outlook, 1950. *May 510-511.*

Public assistance:

Extent of assistance, 1949, 1944, 1942, and 1948. *Feb. 134-135.*

Financing programs. Type of program, number of recipients, and expenditures for payments. *Feb. 136-137.*

Persons dependent upon, annual cost, use, types, origin, history, and amount of assistance needed. *Feb. 132-134.*

Program changes under discussion and future role of assistance. *Feb. 137-139.*

Recipient rates and average payments, June 1949, and average assistance (expenditures payment) per inhabitant, fiscal year 1949, by program and State (table). *Feb. 133.*

Trends in assistance, 1946-49. *Feb. 135-136.*

Public welfare. American Public Welfare Association. Annual conference, Washington, D. C., December 1-3, 1949. Summary of discussions. *Jan. 51-52.*

Publications. Labor. *Jan. 73-79; Feb. 195-201; Mar. 317-323; Apr. 433-439; May 548-553; June 664-670.*

Radio receivers, home. Unit man-hours, requirements and trends, indexes of, by type of labor, by type of radio receiver, and by size of plant, 1939-47. *May 517-519.*

Railroads:

Grievance cases docketed during year, closed, and pending, of National Railroad Adjustment Board, June 30, 1949. *Apr. 403-404.*

Pension plans, private, for employees, 1949. Eligibility requirements and benefits; financing; vested rights of employees. *June 639-641.*

Unemployment insurance. Rates of benefit exhaustions among beneficiaries, by occupational group and by age and sex, 1939-40 to 1948-49. *Mar. 299-301.*

Recruitment of labor:

Alaska. Employers recruiting labor from outside the Territory required to pay return transportation upon termination of employment, 1949. *Jan. 46.*

Arkansas. Regulation of employment agents hiring workers in Arkansas for work outside the State. *Jan. 46.*

Rehabilitation, reeducation, and reemployment. Recommendations for improved services at Workmen's Compensation and Rehabilitation Conference, 1950. *May 511-513.*

Rents:

Area decontrol and decontrol actions by type of authority, July 1, 1947-January 15, 1950; effects of decontrol. *Mar. 256.*

Decontrol. Extent, by population and number of cities, February 17, 1950 (table). *Apr. 401.*

— Large cities, February 1950. *Apr. 401.*

Increase (percent and amount) in residential units after decontrol rent act of 1949, by rent and income group in Knoxville, Dallas, Spokane, Salt Lake City, Jacksonville area, Topeka, and Houston area, 1949. *Mar. 253-256.*

Representation elections. Westinghouse Electric Corp. employees, May 1950. *May 4V.*

Retirement (*see also Pensions*):

Older workers, problems. *May 506-508.*

Payments under public programs, 1948. *Jan. 49.*

Safety:

Industrial. National Conference on Labor Legislation, Washington, D. C., November 1949. Recommendations. *Jan. 40.*

Provisions, scientists, industrial research, late 1949. *Apr. 373.*

State legislation, 1949. *Jan. 43; Feb. 131.*

Sampling. Occupational wage surveys. Technical procedures used in selecting samples, weighting, and determining error. *Apr. 410-417.*

School attendance. State legislation, 1949. *Jan. 42-43.*

School enrollment. Grades 1 through 12. Forecasts, 1947-60. *Feb. 146.*

Service establishments:

Employees. By industry group, annual averages, 1947-49, monthly November 1948-April 1950. (*See Current labor statistics, table A-2, each issue.*)

— Nonsupervisory. Hours and gross earnings, annual averages, 1947-49, monthly, October 1948-March 1950. (*See Current labor statistics, table C-1, each issue.*)

Median annual wages, four-quarter workers under old-age and survivors insurance, by industry group and sex, 1944-47 (table). *June 610.*

Servicemen's readjustment allowances. Payments to unemployed and self-employed veterans under the Servicemen's Readjustment Act (GI Bill of Rights), 1948. *Jan. 49.*

Shift differentials. Machinery manufacture, November 1949. *May 529.*

Sick leave:

Dietitians, 1949. *Feb. 152.*

Office workers, Atlanta, Memphis, and Oklahoma City, January-February 1950. *June 632.*

Scientists, industrial research, late 1949. *Apr. 370-371.*

Sickness and accident benefits:

Furniture plants, September 1949. *Mar. 292.*

Union agreements, 1949. Prevalence and costs, by industry, amount, and time covered. *June 636-639.*

Social insurance. Payments under public programs, 1948. *Jan. 49.*

Social security, United States:

Beneficiaries and monthly benefits in current-payment status, by type of benefit, fiscal years 1940-49 (table). *Jan. 6.*

Blind, aid to. Average assistance payment and expenditure per inhabitant by State, June 1949. *Feb. 133-137.*

Children, dependent, aid to. Average payment per child and per family, recipient rate, and expenditure per inhabitant, by State, June 1949. *Feb. 133-138.*

Social security, United States—Continued

Coverage, extent of, old-age and survivors insurance program, in terms of workers, wages and salaries, and firms, 1937-48 (table). *Jan. 5.*

Old-age and survivors' insurance. All workers and four-quarter workers under, percentage distribution of, by annual wages and sex, 1947. *June 606.*

— Annual earnings data, nature of, by industry. Summary. *June 608-609.*

— Benefits, monthly, increase in, 1940-49. *Jan. 6.*

— Earnings statistics and their uses. Aggregate wage statistics, wage size distributions, sources of annual data, and development of statistics for additional uses. *Apr. 421-425.*

— Federal program. Historical developments; provisions and experience under present program; relation to other programs; adequacy of present program; legislative developments. *Jan. 1-8.*

— Four-quarter workers under. Comparison of annual covered earnings in textile and food manufacturing industries, 1945-47 (table). *Apr. 423.*

— Distribution of, by annual wages, 1939 and 1943-48. *June 608.*

— Median annual wages, by age and sex, 1947. *June 607.*

— Median annual wages, by industry group and sex, 1944-47. *June 609-611.*

— Number and percentage distribution, estimated, all workers and four-quarter workers, by amount of annual covered earnings, 1939, 1944, and 1948 (table). *Apr. 422.*

— Payments, 1948. *Jan. 49.*

— Workers under. Median annual wages of and indexes, by sex and number of quarters employed, 1939-48. *June 607.*

— Number and percentage distribution, estimated, by number of quarters employed and by prior activity and sex, 1947. *June 607.*

— Purchasing power of median annual wages of, 1939-48. *June 608.*

Old-age assistance. Average payment, recipient rate, and expenditure per inhabitant, by State, June 1949. *Feb. 133-140.*

Payrolls, total annual, civilian employment, compared with three types of payrolls covered by OASI, 1937-47 (table). *Apr. 422.*

Programs, by type of benefit, January 1949; comparison with 1939. *June 611-613.*

Protection, extent of, old-age and survivors insurance program, in terms of number insured and average primary benefit to insured persons, 1939-48 (table). *Jan. 5.*

Retired workers, benefits due, under OASI; State programs, voluntary retirement. *May 506.*

Unemployment Insurance. State and Federal, summary. Contributions and benefits, 1938-49, selected years. *Mar. 257-262.*

— Statistics (State programs); source, coverage, duration of benefits, benefit year, and operational factors, January 1950. *Apr. 382-383.*

Social security, United States—Continued

Wage credits, living persons, percent distribution, by insurance status, January 1, each year (chart). *Jan. 4.*

Social security, foreign countries. Programs, by type of benefit, January 1949; comparison with 1939. *June 641-643.*

Social workers. Employment outlook, 1950. *May 510.*
Statistics:

Bureau of Labor Statistics series. (*See Technical notes.*)

Labor, current. List of tables. *Jan. 80-81; Feb. 202-203; Mar. 324-325; Apr. 440-441; May 554-555; June 671-672.*

OASI earnings, and their uses. (*See Technical notes.*)

Teachers:

Elementary and high-school. Supply and demand, 1949, and number trained in 1949 compared with estimated peak need. *Feb. 147-149.*

Employment outlook, 1950. *May 510.*

Trends in number of teaching positions, forecasts of school enrollment, and estimated demand. *Feb. 146-147.*

Technical notes:

Employment, industrial measurement. Limitations of data, survey sources and methods, and calculation procedures. *Jan. 55-58.*

Expenditures, new construction, estimating. Limitations; methods, sources, and adjustment procedures. *Feb. 177-185.*

Hours and earnings of workers in industry, calculating. Survey sources and methods, calculation procedures, and interpretation and limitations. *Jan. 59-63.*

Industrial-injury statistics, compilation, Bureau of Labor Statistics. Categories, standardization of methods, and definition and measurements of work injuries. *Mar. 303-304.*

— Limitations of series, sources and methods of surveys, and computation procedures. *Mar. 304-307.*

OASI earnings statistics and their uses. Aggregate wage statistics, wage size distributions, sources of annual data, and development of statistics for additional uses. *Apr. 421-425.*

Unit man-hour requirements, measurement. Limitations of productivity measures; methods, sources, and calculation procedures of industry indexes and reports. *Feb. 169-176.*

Wage rates, manufacturing. Overtime, premium, eliminated from hourly earnings data. Adjustment factors, evaluation, limitations, and use in estimating wage trends; method of computing factors, 1947. *May 537-540.*

Wages. Sampling procedures, collection of information, compilation of data, weighting, and calculation of sampling error. *Apr. 412-420.*

Textile industries. OASI coverage. Percentage distribution of workers, by annual covered earnings, 1945-47 (table). *Apr. 423.*

Trade, international. Stabilization measures recommended to foster full employment; report to United Nations, December 1949. *Apr. 379-381.*

Trade establishments:

Employees, by industry group, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-2, each issue.*)

Wholesale and retail. Median annual wages, four-quarter workers under old-age and survivors insurance, by industry group and sex, 1944-47 (table). *June 610.*

— Nonsupervisory employees. Hours and gross earnings, annual averages, 1947-49, monthly, October 1948-March 1950. (*See Current labor statistics, table C-1, each issue.*)

Trade-unions. (*See Labor organizations.*)

Transit, local, operating employees. Hourly wage rates, indexes, 1929-49; wage rates, by population of city and by region, October 1, 1949; standard workweek. *Mar. 287-289.*

Transportation and communications industries:

Labor unions, affiliation and employees to whom membership is open in air, street and road, water, and rail transportation, wire and radio communications, and postal service. *Mar. 276-278.*

Workers employed, number, and percent belonging to labor unions; membership range and age of oldest unions. *Mar. 275-276.*

Transportation and public utilities:

Employees. By industry group, annual averages, 1947-49, monthly, November 1948-April 1950. (*See Current labor statistics, table A-2, each issue.*)

— Nonsupervisory. Hours and gross earnings, annual averages, 1947-49, monthly, October 1948-March 1950. (*See Current labor statistics, table C-1, each issue.*)

Median annual wages, four-quarter workers under old-age and survivors insurance, by industry group and sex, 1944-47 (table). *June 610.*

Truck driving, city. Union wage rates and standard workweek, July 1, 1949. *Jan. 36-39.*

Unemployment:

Analysis of, 1929-48. *May 486-489.*

Annual averages in percent of age groups of civilian labor force, by sex, 1948 (chart). *May 493.*

Changes in and trend of, 1948-50. *June 618-622.*

Duration of unemployment, by percent of total unemployed, 1940 and 1948 (chart). *May 488.*

Experienced. Unemployment rates, by industry, compared with employment changes, 1948 (table). *May 492.*

Geographic aspects, April 1947 and April 1948. *May 494-496.*

Geographic differences in, 1948-50. *June 626-628.*

Impact of long-term unemployment, 1948-50, and rates, by age and sex (charts). *June 624-625.*

Unemployment—Continued

- Labor force. Employment, and unemployment, 1930-50 (chart). *May 487.*
 — January 1948-April 1950 (table). *June 620.*
 Males, aged 20-34 years, rates by veteran status, selected months, 1946-48, and for workers, by occupational group, 1948 (tables). *May 494.*
 Prospective trends, factors in, April 1950. *June 628-629.*
 Sources of and characteristics of the unemployed, 1946-48. *May 489-494.*
 Wage and salary workers. Unemployment rates by major industry and occupational group, 1948 and 1949 (table). *June 623-625.*
- Unemployment compensation. President's recommendations for increased benefits, April 6, 1950. *May III.*
- Unemployment insurance, United States:
- Contribution rate, employer, and total benefits paid, by percent of taxable wages, 1938, 1941, 1944, 1947 and 1949. *Mar. 259.*
 - Employers' experience rating, summary. *Mar. 258-260.*
 - Financing provisions for under Federal legislation; relationship with State laws. *Mar. 257-258.*
 - Nation-wide system adopted by Congress, 1935. Conditions of Federal-State program; operating experience; value of program; current problems. *Jan. 9-13.*
 - Operating experience of program, 1948. *Jan. 11.*
 - Payments under public programs, 1948. *Jan. 49.*
 - Program in 1949 compared with 1939. *June 643.*
 - Railroad. Rates of benefit exhaustions among beneficiaries, by occupational group and by age and sex, July 1948-June 1949. *Mar. 300-301.*
 — Trends in rates of benefit exhaustions among beneficiaries and benefits received, 1939-40 to 1948-49. *Mar. 299-300.*
 - Rates and rate schedules, trends in. *Mar. 260.*
 - Rates of income and benefit expenditures, 1940-49 (chart). *Jan. 12.*
 - Solvency of State funds. *Mar. 261-262.*
 - State laws. Criticism of experience rating in. *Mar. 261.*
 — January 1950, significant provisions. *Jan. 46-48.*
 — Provisions of, 1936-49. *Jan. 10-11.*
 - State programs, statistics. Insured unemployment, by geographic division and State, monthly, January-March 1948, January 1949-March 1950. (*See* Current labor statistics, table A-11, *Apr.-June 1950.*)
 — Use, source and derivation of data, comparability with Census estimates, and limitations. *Apr. 382-383.*
 - War-risk insurance. *Mar. 260.*
- Unemployment insurance, foreign countries. Programs in 1949 compared with 1939. *June 643.*
- United Nations. Employment report. International measures recommended to achieve full employment, December 1949. *Apr. 379-381.*

Vacations with pay:

- Dietitians. Annual paid vacations, selected fields of specialization, 1949. *Feb. 152.*
- Dress-shirt and work-clothing establishments, August 1949. *Mar. 295.*
- Furniture plants, September 1949. *Mar. 292.*
- Machinery manufacture, November 1949. *May 529.*
- Office workers, Atlanta, Memphis, and Oklahoma City, January-February 1950. *June 631-632.*
- Provisions for guaranteed employment and wage plans. *Jan. 29.*
- Scientists, industrial research, late 1949. *Apr. 370.*
- Women's coats and suits manufacture, September 1949. *Feb. 155.*

Wage chronology. Pacific-longshore industry, 1934-50, changes in wage rates and related wage practices. *May 521-526.*Wage earners, foreign countries. Wage and salary earners in the Soviet Union, 1950. Summary. *May 534.*

Wage structure:

- Cotton garment industries plant workers, August 1949. *Mar. 293-295.*
- Federal Government employees; salary minimum and maximum under Classification Acts of 1923 and 1949. *Mar. 295-296.*
- Hosiery. Men's seamless; percentage distribution of plant workers by hourly earnings and sex, United States and selected regions, October 1949. *Apr. 407.*

Wages and hours, United States:

- Agricultural child workers, New York State, 1948. Legal and illegal employment. *June 650.*
- Airframe industry employees. Hourly wage rates and related wage practices, May-June 1949. *Jan. 30-33.*
- Baking industry. Union wage scales and standard workweek, July 1, 1949. *Jan. 33-36.*
- Building trades, southern California. Hourly rates, 6 basic trades and 13 subtrades, 1941-49. *Jan. 14.*
- Changes, and legislation, summary for 1949. *Feb. 127-129.*

- Cotton garment industries. Hourly earnings and related wage practices, August 1949. *Mar. 293-295.*
- Construction, contract. Production workers. Hours and gross earnings, annual averages, 1947-49, monthly, October 1948-March 1950. (*See* Current labor statistics, table C-1, *each issue.*)

Subject Index to Volume 71

July to December 1950

[Issues and page numbers in italics]

Accident and sickness benefits. United States Steel Corp., by agreements, 1949. *Oct. 474.*

Accident statistics:

Coal mining. Injury-frequency rates, by fatality and industry branch, 1933-49 (table). *Sept. 347.*

Crewmen on inland waterways and harbor waters. Injury rates, by occupation, 1946. *Dec. 678-680.*

— Injury rates, by type of vessel, 1946. *Dec. 676-677.*

Manufacturing. Injury-frequency rates. Industries showing principal changes in, first and second quarters, 1950, and first 6 months of 1949 and 1950 (table). *Nov. 568.*

— Percent change in, 1943-50. *Nov. 567-568.*

— Selected industries, first and second quarters, 1950; cumulative rates, 1949 and 1950. *Aug. 203-206; Nov. 569-571.*

Manufacturing, nonmanufacturing, and mining. Injury-frequency and severity rates and injuries, by extent of disability, 1949. *Oct. 478-484.*

Paper and pulp industry. Industrial injury rates (534 mills), by product and by department, with extent of disability, 1948 (tables). *Sept. 340-341.*

Age certificates. For employment of minors in agriculture and industry, 1950. *Aug. 241.*

Agriculture:

Changes, 1900-50. *July 6, 13.*

Child labor. State employment or age certificates for minors, 1950. Issuance and purpose. *Aug. 241.*

Farm labor a major source of industrial labor supply, 1950. *July 15.*

Regional differences in jobs, income, and migration, 1929-49. *Oct. 434.*

American Federation of Labor:

Organization, problems, and activities, 1880-1950. *July 41-47.*

Sixty-ninth annual convention, Houston, Tex., September 1950. Role of AFL in international affairs, national defense, and labor unity. *Oct. IV; Nov. 553-556.*

Socialism's decline in; crusade for civic recognition; and early political activity. *July 62-64.*

Apprenticeship. Eastern Seaboard Apprenticeship Conference, Poland Spring, Maine, June 1950. Theme of conference, representation, and discussions. Summary. *Aug. 213-214.*

Arbitration. (*See Conciliation and arbitration.*)

Armour & Co. Wage chronology, 1949. *Oct. 474-476.*

Atomic energy. Program, reconciliation of, with collective bargaining. Background to 1946; policy adopted and experience, 1946-50. Summary. *Nov. 587-588.*

Automobile manufacturing industry. (*See Motor-vehicle industry.*)

Benefits and benefit funds:

United Mine Workers of America Welfare and Retirement Fund. Resumption of benefits under, September 1949, types of benefits and status of fund. *Dec. 706-709.*

Welfare programs, Federal grants-in-aid for, 1900-50. *July 33.*

Bonus, nonproduction:

Office workers. Boston, January 1950. *July 119.*

— Chicago, Indianapolis, and Milwaukee, January-February 1950. *July 117.*

— Detroit, Mich., April 1950. *Sept. 350.*

— Large cities, 11 January-June 1950. *Nov. 580.*

— New York City, February 1950. *Aug. 238.*

Bookkeepers, stenographers, and typists. Technological advance, 1900-50. *July 6.*

Budgets, cost-of-living. Women workers without dependents, selected States. Minimum adequacy standard of, factors influencing allowances, annual costs, and uses, 1950. *Dec. 698-701.*

Building industry, Great Britain. Productivity changes in, 1947-50. *Dec. 706.*

Bureau of Labor Statistics program:

Change in character from original credo to wider scope and newer methods of recent years. *July 75-78.*

Functions, range of bulletin studies, and detailed case studies, 1900-50. *July 76-77.*

Business. High activity and industrial output, June 1950. *July 104.*

Capital and labor. Factors in industrial productivity. *July 9.*

Capitalism. Role in labor organizations, 1900-50. *July 41.*

Check-off provisions:

Collective-bargaining agreements. By region and by union affiliation, 1949-50 (tables). *Aug. 225-226.*

— Manufacturing and nonmanufacturing industries. Types and proportion of agreements with, 1949-50. *Aug. 226-227.*

Prison Industries, Federal (U. S. Government). Training and employment program, report on, June 30, 1949. *Aug. 241–242.*

Production:

Defense Production Act of September 1950, provisions for. *Oct. 455.*

Expansion of, assigned to various agencies by the President in Executive Order No. 10161, September 1950. *Oct. 457.*

Productivity, United States:

Agriculture. Increase due to mechanization and improvements in farm methods. *July 15.*

American industry. Source of national strength in the United States, 1900–50. *July 5.*

Rise in, 1900–50. Factors responsible for and recommendations, set forth in Committee for Economic Development report. *Aug. 238–239.*

Scientific principles applied in production, effects on productivity. *July 8.*

Unit man-hours. Byproduct, 1947–48. *July 125.*

— Electrical appliances. Indexes, by extent of plant improvements in equipment and methods, 1939–48 (table). *July 124.*

— Indexes, by type of appliance and type of labor, 1939–48 (table). *July 123.*

— Household electrical appliances. By type of labor, by product, and plant characteristics, 1938–48. *July 122–124.*

Productivity, Great Britain. Efforts to increase, 1949–50. Summary. *Dec. 704–706.*

Profit sharing:

Office workers. Boston, January 1950. *July 119.*

— Detroit, Mich., April 1950. *Sept. 350.*

— Indianapolis and Milwaukee, January–February 1950. *July 117.*

— Large cities, 11, January–June 1950. *Nov. 580.*

— New York City, February 1950. *Aug. 238.*

Public assistance. Plans established by the Social Security Act of 1935. Summary. *July 34–36.*

Public works:

Effect upon economic conditions and employment; limitations; stabilization aspects; need for advance planning. *July 109–112.*

Legislation, 1931 and 1933. *July 109.*

Publications:

Labor. (*See section Publications of Labor Interest, each issue.*)

— Significant books on labor, 1900–June 1950. *July 87–103.*

Pulp and paper industry. (*See Paper and pulp industry.*)

Radio broadcasting industry. Hours and earnings, weekly. (*See under Wages and hours.*)

Radio industry. Condition, 1900, 1925, and 1950. *July 6.*

Railroads:

Industrial relations activities, June–July 1950. *Aug. 242–243.*

Labor disputes, June 1950. *July 104.*

Labor legislation affecting, 1888–1950. *July 48–50.*

Railway Labor Act of 1926. Supreme Court sanction; developments following. *July 53.*

Rayon-textile industry. Earnings, hourly, selected occupations and areas, April 1950, and related wage practices. *Oct. 466–470.*

Real wages. (*See wages, real.*)

Recreation. Wage earners, 1900–50. *July 28–30.*

Rehabilitation, reeducation, and reemployment. Deterrents to reemployment, 1900–50. *July 19–20.*

Rents. Control, Federal, extension of, 1950. *Aug. 218.*

Reporting-time pay. Aluminum Co. of America, 1939–50. *Dec. 691.*

Retirement systems. (*See Old-age pensions and retirement.*)

Safety:

Activities of U. S. Bureau of Mines, 1948–49. *Sept. 346–348.*

Industrial. Legislation affecting, 1900–50. *July 48–50.*

President's Conference on Industrial Safety, Washington, D. C., June 1950. Summary of discussions. *Aug. 207–209.*

Programs in industries, 1900–50. *July 22.*

Union-agreement provisions, 1950. Types of safety clauses; prevalence of, by industry group; joint committees functioning. *Sept. 342–346.*

Sawmills. (*See wages and hours.*)

Selective Service Act of 1948. Amendments to, 1950, extension provisions. *Sept. 359.*

Separation allowances. (*See Dismissal pay.*)

Service establishments:

Employees, by industry group and industry, annual averages, 1948-49, monthly, May 1949-October 1950. (*See Current labor statistics, table A-2, each issue.*)

Employment trends, 1929-49. *Aug. 201.*

Nonsupervisory employees. Hours and gross earnings, annual averages, 1948-49, monthly, April 1949-September 1950. (*See Current labor statistics, table C-1, each issue.*)

Shift differentials:

Aluminum Co. of America, 1939-50. *Dec. 690.*

Cotton-, rayon-, nylon-, and silk-textile industries, April 1950. *Oct. 469.*

Ferrous foundry workers, 22 cities, 1950. *Dec. 693.*

Motor vehicle industry, February 1950. *Sept. 352, 355.*

Paint and varnish manufacture, April 1950. *Sept. 363.*

Woolen and worsted textile industry, May 1950. *Oct. 465-466.*

Sick leave:

Armour & Co., by agreements, 1949. *Oct. 475.*

Office workers. Boston, January 1950. *July 119.*

— Chicago, January-February 1950. *July 117.*

— Detroit, Mich., April 1950. *Sept. 350.*

— Indianapolis, January-February 1950. *July 117.*

— Large cities, 11, January-June 1950. *Nov. 579-580.*

— Milwaukee, January-February 1950. *July 117.*

— New York City, February 1950. *Aug. 238.*

Swift & Co., by agreements, 1949. *Oct. 477.*

Sickness, accident, and death benefits:

Aluminum Co. of America, 1939-50. *Dec. 692.*

Woolen and worsted textile industry, May 1950. *Oct. 466.*

Silk-textile industry. Earnings, hourly, selected occupations and areas, April 1950, and related wage practices. *Oct. 466-470.*

Social conditions:

Reflected in BLS data, 1900-50. *July 75-78.*

Wage-earner security, sought through labor unions and Government, 1900-50. *July 31-34.*

Social insurance, United States:

Increase in plans, 1950. *Dec. 664-665.*

Plan established by Social Security Act of 1935. Summary. *July 34-35.*

United States Steel Corp., by agreements, 1949. *Oct. 473-474.*

Social insurance, Venezuela. Legislation establishing, 1940; workers covered, 1949. *Oct. 451-452.*

Social security:

Concepts of terms "social security" and "public assistance" defined. *July 34.*

Coverage and benefits increased by bill passed by U. S. Senate, June 1950. *July 104-105.*

Coverage, benefits, Federal Government share in payments, and tax rates. Summary of amendments to Social Security Act, August 1950. *Oct. 457-460.*

Social security—Continued

Old-age and survivors insurance. Percent distribution of living persons with wage credits, by insurance status, January 1 of each year, 1940-49 (chart). *July 36.*

Old-age and unemployment-insurance programs, established by Social Security Act of 1935, constitutional, U. S. Supreme Court, 1937. *July 33.*

Problems for the future, 1950. *July 36-37.*

Socialism. Role in labor organizations, 1900-50. *July 40-41.*

Statistics:

Bureau of Labor Statistics program, 1900-50. *July 75-78.*

Labor. BLS methods of investigation and reporting, improvement in and wider use in recent years. *July 75, 77-78.*

— Current tables, list of. (*See section, Current Labor Statistics, each issue.*)

— Economic briefs, comparison of the old and the new. *July 70-74.*

Swift & Co. Wage chronology, 1949. *Oct. 476-478.*

Taft-Hartley Act of 1947. Scope, and developments following. *July 57-59.*

Technical notes:

Consumers' Price Index. Revision of, started in 1949. Nature of index, need for revision, program for revision, and progress to June 1950. *July 129-132.*

Working life for men, tables of, methods of constructing. Summary. *Nov. 589-595.*

Telephone industry:

Condition, 1900, compared with 1950. *July 6.*

Labor dispute settlements between Communications Workers of America (CIO) and associated Bell System companies, June 1950. *July 128.*

Trade establishments:

Employees, by industry group and industry, annual averages, 1948-49, monthly, May 1949-October 1950. (*See Current labor statistics, table A-2, each issue.*)

Wholesale and retail. Nonsupervisory employees. Hours and gross earnings, annual averages, 1948-49, monthly, April 1949-September 1950. (*See Current labor statistics, table C-1, each issue.*)

Trade-unions. (*See Labor organizations.*)

Trade, wholesale and retail. Employment trends, 1929-49. *Aug. 201.*

Transit industry. New York City. Labor-management dispute. Developments, June 1950. *July 127-128.*

Transportation and public utilities:

Employees, by industry group and industry, annual averages, 1948-49, monthly, May 1949-October 1950. (*See Current labor statistics, table A-2, each issue.*)

Employment trends, 1929-49. *Aug. 201.*

Nonsupervisory employees. Hours and gross earnings, annual averages, 1948-49, monthly, April 1949-September 1950. (*See Current labor statistics, table C-1, each issue.*)

Trucking industry. New York City. Labor dispute ended by 4-year no-strike agreement, June 1950. *July 128.*

Unemployment insurance:

Program established by the Social Security Act of 1935 constitutional, U. S. Supreme Court, 1937. *July 33.*

Statistics. Insured unemployment under State programs, by geographic division and State, monthly, April-September 1948, April 1949-September 1950. (See Current labor statistics, table A-11, each issue.)

Unfair labor practices. Prohibition of in State labor relations acts. *Aug. 216-217.*

Union security:

In collective-bargaining agreements, by region and by union affiliation, 1949-50 (tables). *Aug. 225-226.*

Type of, by industry, 1949-50 (table). *Aug. 225.*

Union shop, membership maintenance, and sole bargaining in collective-bargaining agreements, 1949-50. *Aug. 224-226.*

United Mine Workers of America. Welfare and Retirement Fund, resumption of benefits under, September 1949. Types of benefits and status of fund. *Dec. 706-709.*

United States Steel Corp. Wage chronology, 1949. *Oct. 473-474.*

Vacations with pay, United States:

Aluminum Co. of America, 1939-50. *Dec. 691.*

Armour & Co., by agreements, 1949. *Oct. 475.*

Cotton-, rayon-, nylon-, and silk-textile industries, April 1950. *Oct. 469.*

Ferrous foundry workers, 22 cities, 1950. *Dec. 694.* In industry. Increase in, 1900-50. *July 22.*

Motor-vehicle industry, February 1950. *Sept. 352, 354-355.*

Office workers. Boston, January 1950. *July 119.*

— Chicago, January-February 1950. *July 116-117.*

— Detroit, Mich., April 1950. *Sept. 350.*

— Indianapolis, January-February 1950. *July 116-117.*

— Large cities, 11, January-June 1950. *Nov. 579.*

— Milwaukee, January-February 1950. *July 116-117.*

— New York City, February 1950. *Aug. 235.*

Paint and varnish manufacture, April 1950. *Sept. 364.*

Swift & Co., by agreements, 1949. *Oct. 477.*

Woolen and worsted textile industry, May 1950. *Oct. 466.*

Vacations with pay, Western Germany. During occupation, 1945-50. Provisions in labor legislation. *Dec. 671.*

Veterans. Disabled. Employment. Conference, May 1950. Summary. *July 126-127.*

Vocational education. Legislation affecting, 1900-50. *July 48-50.*

Wage adjustment. Provisions in collective agreements, 1950. Summary. *Dec. 694-695.*

Wage adjustment (cost-of-living basis). In collective agreements, 1950; types of escalator clauses. Summary. *Nov. 557-559.*

Wage chronology:

Aluminum Co. of America, 1939-50. Wage changes and related wage practices. *Dec. 688-692.*

Armour & Co., 1949. Wage changes and related wage practices. *Oct. 474-478.*

Swift & Co., 1949. Wage changes and related wage practices. *Oct. 476-478.*

United States Steel Corp., 1949. Wage rates and related wage practices. *Oct. 473-474.*

Wage earners:

Bureau of Labor Statistics data concerning, 1900-50. *July 75-78.*

Individual advance, Government's role in to 1950. *July 58.*

Job tenure with one employer, long-term, value of. *July 18-19.*

Physical conditions of work important factors in jobs. *July 22.*

Security in social and economic life sought through labor unions and Government, 1900-50. *July 31-34.*

Wage stabilization. Provisions for in Defense Production Act of September 1950. *Oct. 454.*

Wage structure:

Motor-vehicle industry. Passenger cars and trucks. Earnings, hourly, plant workers, by occupation, United States and selected regions, February 1950 (tables). *Sept. 352-354.*

— Percentage distribution of plant workers, by hourly earnings, United States and selected regions, February 1950 (table). *Sept. 351.*

Neckwear industry. Earnings, hourly, selected occupations, United States and selected areas, March 1950 (table). *Sept. 359.*

— Percentage distribution of plant workers, by hourly earnings, United States and selected regions, March 1950 (table). *Sept. 358.*

Sawmills, southern. Changes in, fall 1949-March 1950, arising from application of the 75-cent minimum wage. *Sept. 313-317.*

Wages and hours:

Automobile industry, increases in, August-September 1950. *Sept. III-IV.*

Collective agreements, selected companies. (See Wage chronology.)

Construction. Wage rates, June 1950. *July 105.*

Construction, contract. Production workers. Hours and gross earnings, annual averages, 1948-49, monthly, April 1949-September 1950. (See Current labor statistics, table C-1, each issue.)

Cotton-, rayon-, nylon-, and silk-textile industries. Hourly earnings, selected occupations and areas, April 1950, and related wage practices. *Oct. 466-470.*

Wages and hours—Continued

- Custodial workers and maintenance craftsmen. Philadelphia. Characteristic occupations, selected industries, by sex, early 1950. *Dec. 686.*
- Hourly earnings, selected plant occupations, by sex, early 1950. *Dec. 685-686.*
- San Francisco-Oakland area. Characteristic occupations, selected industries, by sex, early 1950. *Dec. 686.*
- Hourly earnings, selected plant occupations, by sex, early 1950. *Dec. 685-686.*
- Data, wage, as source of disagreement in labor briefs, 1900-50. *July 72-73.*
- Escalator clauses, or wage adjustments, based on cost-of-living changes, collective agreements, 1950. Summary. *Nov. 557-559.*
- Ferrous foundry workers. Hourly earnings, men, selected occupations, 22 cities, 1950, and related wage practices. *Dec. 693-694.*
- Finance establishments. Nonsupervisory employees. Hours and gross earnings, annual averages, 1948-49, monthly, April 1949-September 1950. (See Current labor statistics, table C-1, each issue.)
